EDUCATION

Bachelor's of Science in Media Production
Missouri State University 2003-2007

PROFESSIONAL SUMMARY

I simply love the process. Starting with a blank canvas and throwing things at it until you find the perfect fit is what makes this career a true privilege. Finding new ways to tell untold stories is where my passion lives.

Creative Narrative-Driven Editor with 16 years of specialty in storytelling through the creative lens of people, businesses, and lifestyles. Proven track record producing content for a multitude of platforms including premiere level streaming & cable networks, marketing firms, independent creators and **Emmy Nominated series**. Natural born leader with high EQ to achieve creative excellence and work directly with executives, showrunners and network clients. Comfortable working from pre-produced material, or completely from scratch in the raw.

Average time to polished rough cut: 5 days per 14 minutes of content

SKILLS

- Leading teams of producers and editors
- Episodic, promotional, sizzle editing on non-linear platforms **Avid** and **Adobe Premiere**
- Ability to view high quantity of footage and make timely creative decisions
- Mix and online reviewing
- Knowledge of offline and online workflows
- Coordinating assets with clearance/legal departments and graphics teams
- Tracking multiple episodes and storylines
- Interpreting and implementing internal and client notes
- Brainstorming and pitching creative
- Team morale management
